A message from the Executive Director/CEO

Dear Member,

Thank you for choosing Altruia HealthShare Membership as your Health Care Sharing Plan!

Altruia HealthShare is part of Altruia Ministries, a 501(c)(3) nonprofit organization, as a nationally recognized faith-based Health Care Sharing Ministry of individuals and families, a collaborative community of health-conscious people, providers, nurses, staff and members dedicated to a single purpose: improving your health by "Caring for One Another."

We care for one another through health care sharing by heeding scripture to bear the burdens of individuals and families from all around the world. Altruia HealthShare is inclusive, membership developed, and based on Biblical principles established for living a healthy and honorable lifestyle. We deliver skilled and member-centered health care sharing services, and we strive to shape the future of health care by always asking:

"How can we care for one another?"

By each member of Altruia HealthShare following this example, we're able to serve the entire membership through a unique member-to-member *sharing* method through an escrow account. It's that simple. You don't have to worry about waiting for checks

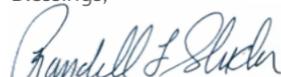

from other members or wait for other members' bank accounts to distribute share amounts to your individual bank account once your medical bill becomes an *eligible* medical need. Altruia HealthShare takes care of the member-to-member *sharing* through the escrow account so each *member* doesn't have to worry or wait for their *eligible* needs to be shared.

At Altruia HealthShare, we want you to be involved in your own health. The *Membership Guidelines* will tell you how to use your new *membership plan*. It's important that you read it carefully and keep it in a safe and convenient place.

Again, thank you for joining the thousands of individuals and families across the nation who have made the same decision as you to join the Altruia HealthShare membership. For any questions or concerns, please call us at 1.888.244.3839, Monday to Friday, 8:00 a.m. to 6:00 p.m. Central Time.

On behalf of the entire Altruia HealthShare family, I welcome you. We look forward to helping you lead a healthier life.

Blessings,

Randall L. Sluder
EXECUTIVE DIRECTOR
& CHIEF EXECUTIVE OFFICER

"Carry each other's burdens, and in this way, you will fulfill the law of Christ." —Galatians 6:2

Frequently Asked Questions

Q How long has Altruia HealthShare been in operation?

Altruia HealthShare, including its predecessor, Blessed Assurance Bulletin, has been *sharing the medical needs* among members since 1996 and have saved or shared more than \$100,000,000 to date. Altruia HealthShare is a DBA of Altruia Ministries, Inc., a 501(c)(3) organization.

Q Is Altruia HealthShare insurance?

Altruia HealthShare is not insurance and Altruia Ministries is not an insurance company. The membership is a health care sharing ministry that facilitates member-to-member *sharing*. All members' *monthly contributions* are deposited into an Escrow Account from which all *eligible medical needs* are shared on a member-to-member basis.

Q Is Altruia HealthShare exempt from the Affordable Care Act?

We are recognized by CMS as a Health Care Sharing Ministry and all *active members* are *eligible* for exemption from the tax penalty. See Affordable Care Act on our website at www.altruaheshare.org for more information.

Q Who can take part in the membership?

Our membership is for anyone who believes in living a healthy lifestyle and can agree to our *Statement of Standards*.

Q What is the monthly premium amount?

Altruia HealthShare members do not have a monthly premium. Our members receive a Monthly Contribution Request. The amount varies based on age and the number of members in your family and the *membership plan* you choose. See the specific *membership plans* on our website at www.altruaheshare.org or log into your [Member Portal](#).

Q What is the deductible amount?

Altruia HealthShare members do not have deductibles. Members have *Member Responsibility Amounts (MRAs)* that vary according to the specific *membership plan* chosen. The *MRA* is the dollar amount that a *member* must pay toward *eligible medical needs* before any bill may be shared among members. For example, if your 1st *MRA* is \$500, then the first \$500

of all *eligible medical needs* will not be eligible for *sharing*; it is your responsibility.

Q What guarantee do I have that my contributions will be used correctly?

Financial integrity and accountability of the Altrua HealthShare membership is very important. We operate according to biblical standards for maintaining the highest level of accountability through independent auditing procedures, which are overseen by the Board of Directors.

Q How do claims get processed?

Members do not file claims, nor does Altrua HealthShare handle claims. A “claim” suggests there exists an entitlement to other’s money. Altrua HealthShare processes *medical needs* for *sharing* among the membership. Your medical provider may submit your medical need by using the instructions on the back of the member ID card. Once the medical need is received and determined *eligible for sharing*, the medical need is adjudicated, and *MRAs* are applied. The membership will send your provider a check for the shareable amount. These funds are issued from

the members’ monthly contributions held in the membership escrow account.

Q What do I tell my provider when I need medical attention?

Members can explain to any medical provider that they are a member of Altrua HealthShare, a recognized Health Care Sharing Ministry. Show them the Altrua HealthShare member ID card and explain that the medical need should be sent either electronically or by mail as directed on the back of the member ID card.

Q Can I be a member of Altrua HealthShare and have health insurance?

Yes, a member can have traditional health insurance through work or another source. Members can utilize the membership to share in the portion of *eligible medical needs* that the health insurance plan does not cover. Altrua HealthShare will always be secondary in the *sharing of eligible medical needs* to any other insurance or liable party.

Getting Started

In order that you may quickly get the greatest benefit from your health care sharing membership, start with these two easy steps:

1 Get to know your membership plan.

Review the Membership Services at a Glance on page 10 for a quick overview of your new membership plan, and be sure to keep this booklet handy for future reference. You may access the *Membership Guidelines* online at any time at www.altruaheshare.org or log in to your [Member Portal](#).

2 Familiarize yourself with our health care sharing membership terms and definitions.

This is a great way to get the big picture of the terminology we use as a health care sharing membership. Refer to the *Glossary of Terms* on page 45 for an explanation of the terms used throughout this booklet. This will help you understand our language and how it applies to your health.

Your Primary Care doctor is who you will most likely see the most for your health care needs. This includes checkups, treatment for

colds and flu, health concerns and health screenings. Specialists are doctors who have completed advanced education and clinical training in a specific area of medicine. No referral is ever needed to see a Specialist. Well-Child Visits

Depending on the *membership plan*, well-child visits and immunizations may qualify for *sharing* or may be applied towards the *MRA*.

Membership Qualifications

This section describes your qualification requirements for an Altrua HealthShare membership, your rights and responsibilities, your *commitments* (including your financial *commitments*), and details you will need throughout your membership.

1 Qualifying for Membership

You, and any qualified *dependents* you include on a *Membership Enrollment Application*, must each meet the following criteria to qualify for membership in Altru HealthShare:

1.1 Alignment With Beliefs and Standards

All members acknowledge that they share a common set of ethical or religious beliefs as outlined in the *Statement of Standards*. *Medical needs* resulting from or related to actions contrary to a *Statement of Standards* belief may be denied as an *ineligible* need.

If a need is denied as *ineligible* according to the previous paragraph, you will have 30 days to submit documentation correcting the issue. If you do not provide such documentation timely, all of your *medical*

*needs resulting from or related to those actions found contrary to a Statement of Standards belief, will be *ineligible* for sharing.*

If the need is related to tobacco, nicotine or illicit drug use, Altrua HealthShare may require a drug screening or nicotine test be administered within 48 hours from the time you have been notified. Test results must be received by Altrua HealthShare within seven days. If you do not provide the results, or if the results are positive, your membership will be *withdrawn*.

Please note that contributions paid prior to the date of withdrawal are non-refundable as your contributions are already submitted for member-to-member *sharing*.

If you wish to reapply for membership, your new application may be considered on a case-by-case basis, although Altrua HealthShare has no obligation to reconsider your application. If your *ineligible* need resulted from or was related to tobacco, nicotine, or illicit drugs, you may reapply for membership after 12 months of abstinence.

1.2 Annual Membership Commitment

Each year, you must submit a *Membership Commitment Form* to officially acknowledge your continued commitment to:

- a. the Altrua HealthShare membership,

- b. the *Statement of Standards*,
- c. the *Acknowledgements* section of your *Membership Enrollment Application*, and
- d. the *Escrow Instructions* for *sharing* of member contributions.

If you have a *combined membership* for your *household*, your *Membership Commitment Form* submission represents continued commitment by each *member* under the age of 17 in your *household*. Any *member* 18 years of age or older will need to sign the *Membership Commitment Form* annually.

It is your responsibility to complete and send the *Membership Commitment Form* to Altrua HealthShare within 30 days of your annual renewal date. Otherwise, your membership will be placed on hold until Altrua HealthShare receives this document/electronic form.

1.3 Accepted Application

U.S. citizens ages 1 through 64 may apply to Altrua HealthShare for individual membership. U.S. citizens ages 0 through 64 may apply to Altrua HealthShare for a *combined membership* with another qualified dependent(s), provided all other qualifications described

in the *Membership Enrollment Application* are met on the date of application.

Legal non-U.S. citizens under 65 may also qualify for membership. If at any point it is discovered that you are not, or are no longer, a legal non-US citizen, you will be *withdrawn* from the membership. Your *monthly contributions* prior to the date of withdrawal are non-refundable as your *monthly contributions* are already submitted for member-to-member *sharing*.

You must apply by the 25th of the month in order for your membership to be effective on the 1st day of the next month or you may select the following month for your membership to be effective.

You will be enrolled as a *member* of Altrua HealthShare once your *Membership Enrollment Application* fee and ministry donation are received. Your membership will become active on the 1st day of the month you selected on your *Membership Enrollment Application*. However your 1st *monthly contribution* must be received for your *medical needs* to become *eligible* for member-to-member *sharing*.

1.4 Complete and Accurate Medical History

When you apply for membership, you affirm that you (and any qualified dependents on your *Membership Enrollment Application*) have met all medical history criteria. If at any time it's discovered

that you did not submit a complete and accurate medical history on your *Membership Enrollment Application*, the assessment process described in the *Membership Enrollment Application* will be applied. This may result in a *retroactive limitation* or denial of your membership. Any *medical needs* resulting from or related to the *auto denial* will not be *eligible* and your membership will be *withdrawn* on the last day of the month in which the *auto denial* was discovered.

1.5 Qualified Dependents

Your dependent spouse and your unmarried dependent child(ren) through the age of 22 may participate in Altrua HealthShare under a *combined membership*, providing they meet the qualification criteria described in the *Membership Enrollment Application* and the *Membership Guidelines*. Newborns who are born into the membership via an *eligible maternity* need are automatically added to your membership without having to meet any criteria in the *Membership Enrollment Application*. You may choose not to add your newborn by logging into your *Member Portal* and completing the *Self-Pay Maternity Form*.

As the *Head of Household*, it's your responsibility to ensure that each person participating in your *combined membership* meets and follows the *Statement of Standards* and the *Membership*

Guidelines. All dependents over the age of 18 are required to sign the *Membership Commitment Form* within 60 days of receiving the notification. If your unmarried dependent child(ren) has an ongoing need on their 23rd birthday, their membership participation is extended for an additional 90 days, the *monthly contribution* still applies.

If your unmarried dependent child(ren) wishes to continue participating in the membership once they no longer qualify to participate under a *combined membership*, they must complete a *Roll Off Membership Enrollment Application* for their own membership based on the qualification criteria stated in the *Membership Enrollment Application*.

1.6 Criteria for Dependents without Parent Participation

Children between 1 and 17 years of age may qualify for membership without their parent's mutual participation. If so, the child's parent or guardian must complete and sign the *Membership Enrollment Application* and any associated materials for the child, and is responsible to ensure that all application requirements, *Membership Guidelines*, and *Statement of Standards* are met.

1.7 Financial Participation

To maintain an active membership, you must be up-to-date with your financial *commitments*:

- › Submit your annual \$100 renewal fee to Altrua HealthShare (due on the 1st day of your membership anniversary month).
- › Make your *monthly contribution* to Altrua HealthShare for member-to-member *sharing* (due on the 1st day of each month).
- › Give a \$25 annual donation to Altrua Ministries (due on the 1st day of your membership anniversary month).

1.8 Monthly Contributions

Your *monthly contributions* are voluntary contributions that are non-refundable. Once your membership is active, if your recurring *monthly contribution* is not received by the 15th of a participating month, you will be assessed a \$35 administrative fee and your *medical needs* will remain *eligible for sharing* (assuming they meet the eligibility criteria) until the end of that month. In addition, you will also be assessed a \$35 administrative fee for any returns by your financial institution. If your *monthly contribution* has not been received by the end of that month, your *medical needs* will become *ineligible for sharing* until your past due contribution is received.

If your *monthly contribution* has not been received by the end of the following month (60 consecutive days from the contribution request due date), your effective date of membership withdrawal shall be the last day of the month in which the last *monthly contribution* was received. If your membership is *withdrawn*, you may reapply under the terms defined in the *Membership Enrollment Application*. Your *medical needs* that occur after the effective date of membership withdrawal, and before you reapply for membership, are *ineligible for sharing*.

As a participating *member* of a health care sharing ministry, you remain responsible for all your *medical needs*. Altruia HealthShare is not responsible for any part of your *medical needs*. If the escrow accounts for shared contributions do not provide for the *eligible medical needs* of the members for any particular month, you (and the other participating members) may be asked to share in these *medical needs* with an additional voluntary contribution. To date, Altruia HealthShare has never requested additional contributions from the membership to provide for *sharing in eligible medical needs*.

2.1 As a member of Altruia HealthShare, you have the right to:

4 Changing Your Membership

If you would like to change or upgrade your membership, please log into your [Member Portal](#) to complete this change or upgrade by the 25th day of the month prior to the month when you'd like the changes to take place. Altruia HealthShare is the sole authority for approval of any membership changes. Once approved, changes will go into effect on the first day of the following month. If you make changes to your membership, any accumulations toward your previous *membership plan MRA* will not carry over to your new *membership plan*.

5 Discontinuing Your Membership

If you'd like to discontinue your membership, please log into your [Member Portal](#) to complete the *Membership Cancellation Request Form* along with your reason for canceling your Altruia HealthShare membership by the 25th day of the month in order to withdraw participation by the end of that month.

Your cancellation will become effective on the last day of the month you requested. Your contributions and *medical needs* will continue to be processed until your requested cancellation date.

If you would like to reinstate your membership at a later date, please complete a re-enrollment *Membership Application* by logging into your [Member Portal](#) or contact Member Services for assistance.

6 Sharing of Your Eligible Medical Needs

Monthly contributions from members are used for member-to-member *sharing of eligible medical needs*.

6.1 How To Submit Eligible Medical Needs

To request eligibility for *sharing of your eligible medical needs*, you or your provider must send industry standard billing forms (CMS 1500 and/or the most recent UB form) in accordance with the *medical needs* submission instructions on the back of your current member ID card.

A *Needs Processing Form (NPF)* and medical records may also be required, depending on the nature of your medical need. Log into

your [Member Portal](#) and click the *Needs Processing Form* button to complete your *Needs Processing Form*.

6.2 Working With Your Health Care Provider

To help you get the most out your membership, Altrua HealthShare uses an *affiliated network* of providers and facilities whenever possible. Using PHCS network contracted providers assists you in obtaining the maximum value of your membership. PHCS network contracted providers generally offer significant savings thereby lowering both individual *Member Responsibility Amounts* and membership shared amounts. It's best to identify an *affiliated provider* and/or facility in your region before you seek care. To do so, simply go to www.altruaheshare.org/resources/affiliated-providers or contact the Provider Affiliation department at 1.888.244.3839.

You must present your member ID card to the provider at the time of services for discounts to apply.

If you use a *non-affiliated provider* or facility that also does not accept Altrua HealthShare memberships standard reimbursement option, you will be responsible for 50% of otherwise *eligible charges*, subject to the 1st, and then 2nd *MRAs*.

If your provider or facility bills you for an amount exceeding the allowed amount for an *eligible* medical need, you may submit a revised bill reflecting the balance for the remaining amount in addition to proof of payment for any applicable MRA amounts. The membership will reprocess the *eligible* medical need according to the *Membership Guidelines*.

6.3 What To Do When Your Provider Requires Self-Payment

If your provider will not accept the Altruia HealthShare member ID card, please ask if they can apply a self-pay discount. You will only be reimbursed for *eligible medical needs* for the services that were provided. Preauthorization is still required. Itemized statements must include the following information (at a minimum) for Altruia HealthShare to accept them for review:

- › Provider's Name
- › Provider's Tax ID
- › Diagnosis Code (DX)
- › Procedure Code (CPT)
- › *Date of Service (DOS)*
- › Billed Charges

- › Receipt for Proof of Payment

A *Needs Processing Form (NPF)* and medical records may also be required, depending on the nature of your medical need. Log into your [Member Portal](#) and click the *Needs Processing Form* button to complete your *Needs Processing Form*.

6.4 Medical Needs Eligible For Sharing

Eligibility is an assessment based upon a number of factors:

- › Member status
- › *Membership plan*
- › Nature of the need
- › *Membership limitations*
- › *Pre-existing conditions*
- › Circumstances causing a medical need to arise
- › Whether or not you've had the required screening tests
- › Whether or not your membership has been in effect beyond the *waiting period* for a particular treatment
- › Timeliness, completeness, and accuracy of your request for eligibility of shared contributions

- › Whether or not *sharing* for your request requires your 1st, then 2nd MRA to be satisfied first
- › Whether or not you have exceeded *sharing limits*

Generally, if all other criteria for eligibility have been met, the following *medical needs* may be *eligible for sharing* depending on your specific *membership plan*:

- › *Office visits*
- › *Urgent Care visits*
- › *Maternity*
- › *Medically necessary* emergency room visits, tests, and treatments
- › *Surgeries*
- › Physical therapy associated with *eligible* surgeries or *eligible* accidental injuries
- › *Chiropractic care*
- › *Prauthorized procedures*

6.5 When Emergency Room Visits Are Eligible For Sharing

For the benefit of all the members, please use the emergency room at the hospital only for serious, and critical issues when time is of great importance to a member's health. Treat non-emergency *medical needs* such as sick *office visits* or wellness visits at a **primary care physician's office or urgent care facility**. When you use the emergency room for a routine medical need, the cost is typically exorbitant, and will not be shared by the membership.

An *emergency* is when treatment that must be rendered to the patient immediately for the alleviation of the sudden onset of an unforeseen illness or injury that, if not treated, would lead to further disability or death.

Eligibility for *sharing* purposes of an emergency room visit will necessarily focus on the member's presenting symptoms rather than the final diagnosis.

Altrua HealthShare will review medical records for your emergency room visits in order to assess eligibility for *sharing*.

6.6 When Cancer Medical Needs Are Eligible for Sharing

Cancer diagnosis, pre-cancerous testing, cancer testing, or treatment within the first 12 months of your membership *effective date* are *ineligible for sharing* until your 1st year anniversary of membership. In order for your *medical needs* related to the below types of cancer to become *eligible for sharing* after the first year of membership, the following screening is required:

For Female Members

Female members age 40 and over are required to have a mammogram or ultrasound (these are the only screening options that qualify to meet our requirement for eligibility) and a Pap smear with a pelvic exam every two years from the date of the last negative test result. (If you've had a hysterectomy, a pelvic exam is still required every two years from the date of your last negative exam.) Failure to obtain the biennial tests listed above will render future *medical needs* for breast, cervical, endometrial, and ovarian cancer *ineligible for sharing*. The biennial tests must be performed within 24 months of your last clean test result and submitted to Altrua HealthShare.

Routine mammograms are treated as an *office visit* and the membership will share or allow up to \$500 for this one visit.* *Eligible*

diagnostic mammograms will be applied to 1st, then 2nd MRA.* If the diagnostic mammogram comes back with a pre-cancerous or cancer diagnosis, then any future *medical needs* related to that diagnosis would not be *eligible* until your one-year membership anniversary.

Medical needs related to breast, cervical, endometrial or ovarian cancer will be *eligible for sharing* after your first year of membership, providing that Altrua HealthShare receives clean test results dated no earlier than 6 months prior to the membership *effective date*, or, if test results are not available, then one year from the date of clean test results from a medical provider.

For Male Members

Male members age 50 and over are required to get a PSA (Prostate Specific Antigen) blood test every two years from the date of last negative test result. Failure to obtain the biennial test listed above will render future *medical needs* for prostate cancer *ineligible for sharing*. The biennial tests must be performed within 24 months of your last clean test result and submitted to Altrua HealthShare.

Medical needs related to prostate cancer will be *eligible for sharing* after your first year of membership, providing that Altrua HealthShare receives clean test results dated no earlier than 6 months prior to the membership effective date, or, if test results

are not available, then one year from the date of clean test results from a medical provider.

Please notify Altrua HealthShare within 30 days of each and any cancer diagnosis by contacting the Member Services department at 1.888.244.3839 or log into your [Member Portal](#) and complete a *Needs Processing Form*. If you fail to notify Altrua HealthShare within 30 days of each diagnosis, you will be responsible for 50% of the total allowed charges that remain after your 1st then 2nd MRAs have been satisfied.

6.7 When Preauthorizations are Needed

Some procedures must be preauthorized as *medically necessary* prior to receiving your service. Even if your service is preauthorized by Altrua HealthShare, this does not ensure that your medical need is *eligible for sharing*. Other factors such as membership status, *pre-existing conditions*, circumstances causing the medical need, and *membership limitations* are considered in determining eligibility for *sharing*.

The *medical needs* below require pre-authorization and are *ineligible for sharing* for a minimum of one year from your membership *effective date*.

- Cancer or precancerous testing, procedures and treatments

- Colonoscopy procedures

The *medical needs* below require pre-authorization and are *ineligible for sharing* within the first 90 days of your membership *effective date* unless the treatment or services were performed during an *eligible emergency room visit* for an accidental injury, life-threatening symptom(s), or *eligible surgery* that has occurred after the *effective date*.

- Advanced imaging (for example, MRI, MRA, CT, or PET scans. Advanced imaging does not apply to routine mammogram screening)
- Bone density scans
- Cardiac testing, procedures and treatments
- EGD (upper endoscopy) procedures
- EMG/EEG tests
- Infusion therapy
- In-office procedures (e.g., joint injection, skin biopsy)
- Inpatient hospital admissions (unless admitted through ER)
- Long term care—any and all treatments involved
- Nuclide studies
- Ophthalmic surgical procedures

- Outpatient surgery, testing, and procedures (including pre-admission testing)
- Sleep studies
- Ultrasound scans (does not apply to *maternity* or routine mammograms)

To receive a preauthorization number, ask your provider to call the phone number on the back of your current member ID card. Failure to provide a preauthorization number when processing these *medical needs* will render them *ineligible for sharing*.

6.8 Case Management

Case management (including both care management and cost management) is available for members having significant *medical needs*. Altru HealthShare offers this support upon *member* request, and automatically for certain medical conditions. Altru HealthShare may alter or waive normal *Membership Guidelines* provisions when expecting a cost-effective result, without sacrificing the quality of care. The use of *case management* is voluntary for you and qualified *dependents*; however, non-compliance of the *case management*'s recommendation could result in the medical need, or related *medical needs*, to be *ineligible for sharing*.

6.9 International Travel Eligibility

All your *medical needs* received outside of the country (for example, while you're on vacation), and that are not related to medical tourism, will be subject to the usual eligibility requirements.

If you are treated outside the United States, your entire itemized *medical needs* details must be translated into English and converted into U.S. dollars. You must review your *medical needs* details and assume responsibility for all *medical needs* as a self-pay patient, then submit your *medical needs* for reimbursement as described in the section above on "What to do when your provider requires self-payment."

Please note that finance charges and currency exchange fees are not *eligible for sharing*.

7 Sharing Funeral Needs

If an Altru HealthShare *member* passes away, there is help to ease the burden for you and your family in your time of grief. *Sharing* of funeral needs is one more way those in the membership can help care for one another.

If a person's membership was active for 12 consecutive months prior to death, and the official cause of death is deemed *eligible* under *Membership Guidelines*, up to \$5,000 of these final funeral needs are *eligible for sharing*, per *household*, per *calendar year*:

- › Embalming
- › Cremation
- › Casket
- › Headstone
- › Burial plot
- › Funeral director's costs
- › Flowers
- › Travel expenses for the member's body

The member's *legal representative* must submit the original proof of payment and a certified copy of the member's death certificate with the official cause of death within 90 days of the member's death to Altrua HealthShare via fax at 512.382.5520, via email at eligibility@altruahhealthshare.org, or via U.S. mail at PO Box 90849, Austin, TX 78709.

8 Sharing Limits and Eligibility

This section lays out various types of *eligible medical needs* and the associated limitations for *sharing* them. If your personal situation requires it, you may receive additional instructions in writing from Altrua HealthShare about other limitations that may apply for your membership.

8.1 Specialist Visits and Urgent Care Facilities

Urgent care visits are *eligible for sharing* under the *office visit MRA*. Members are allowed six (combined) office, specialist, or urgent care visits each *calendar year*. If you exceed six *office visits* in a *calendar year*, you will be responsible for any charges you incur for the additional visits. These additional visits will not be applied to satisfy your 1st then 2nd *MRA*, and these charges are *ineligible for sharing*.

Gold and **Silver** *membership plan* members submit a \$35 *MRA* to the *licensed medical professional*, and the membership will share up to \$300 per *eligible* visit on the member's behalf. *Office visit MRAs* are not applied to the 1st or 2nd *MRA*.

Bronze and **Copper** membership plan members submit the full or discounted charges of the *eligible* medical need to the *licensed medical professional*, and the membership will allow up to \$300 per visit to be applied to the 1st, then 2nd MRA (*Membership Guidelines* apply).

The office visit MRA only applies if the CPT (Current Procedural Terminology) code associated with an *office visit* is applied with an E/M (Evaluation and Management) code. If an *office visit* CPT code is not documented, charges will be applied to the 1st, then 2nd MRA. *Membership limitations* and *pre-existing conditions* do not apply to *office visits*.

Eligibility guidelines regarding cancer apply.

Maternity office visits are considered part of *maternity sharing limit*, therefore MRAs do not apply.

8.2 Occupational Sharing Limit

This section is subject to all potential sources of coverage, including workers compensation coverage. Injuries from income-producing or work-related injuries will be shared based on *membership plan* per *eligible* need per *household*, per *calendar year*.

All income-producing or work-related injuries require a drug and alcohol screening to be administered within 24 hours from the time

of the occupational injury. An *Occupational Needs Processing Form* and test results must be received by Altrua HealthShare within seven days. You can find the *Occupational Needs Processing Form* at www.altruah healthshare.org/resources/forms-and-documents. You must present this form to your provider at the time your test is administered. The drug and alcohol screening fees will apply towards your *MRA(s)* unless the test results are rendered positive. If the test results received are positive, your occupational need will be *ineligible for sharing* and assessed according to the *Membership Guidelines*.

8.3 Recreational Activities Sharing Limit

Injuries from interscholastic, intercollegiate, and community-or church-organized team sports, programs or *extreme sports* will be shared based on *membership plan* per *eligible* need per *household*, per *calendar year*.

8.4 Service-Specific Sharing Limits

Alternative Medicine

After the initial 12-month *waiting period*, acupuncture, homeopathic treatments, holistic treatments, naturopathic treatments, biofeedback, and neurofeedback are limited to a combined 12 visits per *calendar year* per *member*. 1st, then 2nd MRA apply.

Ambulance

The amount shared for ground transportation will not exceed \$3,000 per incident. *Sharing* for transportation by air will not exceed \$10,000 per incident.

Laboratory Services

After the initial 90-day *waiting period* (unless it is a required part of a wellness or preventative care visit), all *eligible* laboratory services will be shared up to \$4,000 per *member*, per *calendar year*. 1st, then 2nd MRAs apply.

Organ Transplants

Eligible medical needs for an organ transplant may be shared up to a maximum of \$150,000 per *member* per lifetime, not to exceed the maximum *sharing limit* of your membership plan. This includes all costs related to the actual transplant procedure. If you have *medical needs* requiring multiple organ transplants, they will be considered on a case-by-case basis.

Outpatient Therapy

After the initial 12-month *waiting period*, occupational therapy, speech therapy, physical therapy, home health care, and chiropractic care are limited to a combined 20 visits in a *calendar year*.

per *member*, 1st, then 2nd MRAs apply. Services must be rendered by a *licensed medical professional*.

Overnight Sleep Testing

Sleep studies require preauthorization and are *eligible for sharing*, but are limited to a single one-night study done in either a facility or at home. If the home study is done but requires additional testing in a facility, it must be due to medical necessity and the request will subject to review by a *licensed medical professional*.

Recreational Vehicles

Injuries resulting from using a *recreational vehicle* will be shared up to a maximum of \$10,000 per incident.

A *recreational vehicle* is a licensed or unlicensed motor vehicle operated on land or water (including ATVs, snowmobiles, motorized scooters, boats, and jet skis), or a licensed motor vehicle with less than four wheels (including motorcycles, excluding motor homes, 5th wheels, and bumper-pull RVs). The vehicle must be insured by a third party for any *medical needs* to be *eligible for sharing*. Altrua HealthShare will only consider the *medical needs* *eligible for sharing* once they have already been processed by the liable third party (such as your automobile insurance provider).

You must submit a *Needs Processing Form* before Altruia HealthShare will share on your behalf. 1st, then 2nd MRAs apply. You can log into your [Member Portal](#) to complete a *Needs Processing Form*.

Colonoscopy

If you are age 50 or over, you may have your colonoscopy testing shared one time per year, not to exceed three for your membership lifetime. Exceptions may be made if you are under 50 with a family history of colon cancer, and in this case, you must provide documentation from the referring medical doctor. Colonoscopy screening is *ineligible for sharing* within the first 12 months of your membership *effective date*. Pre-existing and limitations do not apply to screening colonoscopy.

Temporary Long-Term Care

Long term care or skilled nursing facility use is *eligible for sharing* if treating an injury or illness. All services must be rendered by a skilled or *licensed medical professional*. Care may not exceed 40 visits or days per *calendar year* and must be preauthorized.

Wellness/Preventative Visits

Female members age 40 and over and male members age 50 and over are *eligible for sharing* of one additional *office visit* to address

required screening tests without having to use one of their six annual *office visits*. The *Membership Guidelines* apply.

8.5 Self-Pay Maternity Sharing

Maternity Eligibility

A female *member* of Altruia HealthShare is *eligible for maternity sharing* when she is married and has been on a **Gold** or **Silver membership plan** (*married individual member* or combined with her spouse or child/children) for 10 consecutive months prior to conception. *Sharing for maternity* starts at the time of conception and continues through delivery for both the mother and the newborn.

When a member's pregnancy has been confirmed by a *licensed medical professional*, the *member* must contact Altruia HealthShare to verify eligibility. The *member* must log into your [Member Portal](#) and complete a *Self-Pay Maternity Form*, with all requests for *maternity reimbursements*. When the *member* submits requests for *eligible maternity reimbursements*, the following must be included:

- | | |
|-------------------------------------|--------------------------------|
| ➤ Provider's tax ID number | ➤ HCFA 1500 or UB-04 form |
| ➤ Billed amount reflecting self-pay | ➤ Receipt for proof of payment |

If the *member* elects to use a licensed midwife for delivery, Altrua HealthShare requires that the licensed midwife test for group B strep prior to delivery. Any complications to the mother or newborn due to the failure to test for group B strep will make those *medical needs ineligible for sharing*.

Any complications that arise for a mother and infant during an *ineligible pregnancy* will make all related *medical needs ineligible for sharing*.

Maternity benefits do not apply to adoption.

Maternity Sharing Limits

- › The membership share amounts do not apply to the mother or newborn's 1st or 2nd MRA.
- › For an *eligible* vaginal or cesarean delivery, the membership will share based on the *membership plan* per pregnancy.
- › *Maternity sharing* for miscarriages are limited to the same *sharing* amount per *member* per *calendar year* based on the *membership plan*.
- › Congenital birth defects for a newborn under an *eligible maternity* has a maximum *sharing* limit of \$50,000 per *calendar year* subject to 1st then 2nd MRA.

› **Bronze** and **Copper** members' medical needs relating to *maternity* are *ineligible for sharing*. If a **Bronze** or **Copper** member desires to conceive and wants *maternity* to be *eligible*, she must upgrade her membership to a *married individual member* or *combined membership* on a **Gold** or **Silver** membership a minimum of 10 consecutive months prior to conception.

1. COMPLICATIONS DURING PREGNANCY

A complication of pregnancy is a disease or condition that is distinct from pregnancy but is adversely affected or caused by pregnancy and occurs during the pregnancy and not just at the time of labor or delivery. Complications that threaten the life of the mother and child that require care or services not normally rendered during pregnancy will be subject to *medical review* and apply towards the mother's MRAs.

Complications of pregnancy such as false labor, occasional spotting, licensed medical professional-prescribed rest during the pregnancy, and comparable severity associated with management of a difficult pregnancy will apply to the *maternity sharing limits*.

2. COMPLICATIONS DURING DELIVERY

Any life-threatening complications for the newborn during and after the delivery will be subject to the *eligible* child's 1st, then 2nd

MRAs. Any life-threatening complication for the mother will be reviewed under her 1st, then 2nd MRAs. The *maternity sharing limit* will cease to apply, and the *medical needs* will apply to the 1st, then 2nd MRAs. An internal review of medical records will be required.

3. HOW MATERNITY APPLIES TO THE NEWBORN

An *eligible maternity* for the mother will result in the newborn being *eligible as a dependent* on the membership. While the newborn is in the hospital and not under life-threatening circumstances, the *maternity sharing limits* apply.

The newborn will be automatically added to the membership when born. Any membership changes as a result of the newborn that would increase the member's *monthly contribution* amount will be incurred the month the newborn is delivered.

If a *member* does not wish to have their newborn automatically enrolled in the membership, the *member* must notify Altrua HealthShare immediately by selecting the option on the *Self-Pay Maternity Form* and submitting the request to Altrua HealthShare before the newborn is 30 days old. Additional contribution amounts will not be refunded for failure to comply with this requirement.

If the *member* chooses not to have the newborn auto-enrolled, but at a later date, desires for the infant or child to be added to

their membership, the infant or child will be subject to the *Add-On Membership Enrollment Application* process, and the *member* may apply on behalf of the infant or child once the infant or child is over 30 days old. All provisions of the *Membership Enrollment Application* process will apply.

If the *medical needs* relating to *maternity* are *ineligible for sharing*, the newborn will be subject to the *Add-On Membership Enrollment Application* process and the *member* may apply on behalf of the infant or child once the infant or child is over 30 days old. All provisions of the *Membership Enrollment Application* process will apply.

private grants, or by a liable third party such as employer liability, workers compensation, auto insurance or home owners insurance (with a minimum Personal Injury Protection of \$10,000), your *MRAs* and *member sharing* will apply after any discounts or third-party payments are made.

If it is later discovered that your medical need is paid for (or found to be covered) by another institutional source, third party or subrogation, Altrua HealthShare has full rights to recover all *member contributions* amounts that were shared on your behalf by the membership.

Altrua HealthShare asks that all members cooperate and assist the membership in determining whether your medical need is discountable or payable by another party. If our request for additional information or verification is not responded to within 60 days, your *medical needs* will become *ineligible for sharing*.

10.1 Medicare

If you become *eligible* for Medicare Part A and/or Part B (whether due to disability or age) please notify Altrua HealthShare via phone at 1.888.244.3839, via fax at 1.512.382.5520, or via email at medical-needs@altruahs.org and provide a copy of your Medicare Certificate of Coverage before your coverage begins.

If you qualify for Medicare Part A and/or B and you currently participate in a *combined membership*, your membership will change to an individual membership with you as the *Head of Household* if your spouse is younger than 65. If your spouse and you share the same birth month and birth year, your membership will remain a *combined membership*. Membership Guidelines apply. Please log into your [Member Portal](#) to see the current *monthly contribution* amounts.

11 Appeals and Grievances

11.1 How to File an Appeal if a Medical Need is Denied

Although there are no contractual promises for *sharing member contributions*, it's still important to be sure that Altruia HealthShare is administering shared contributions as described here in the *Membership Guidelines* and in accordance with the *Escrow Instructions*.

If you are a *member* and your medical need is denied for *sharing* under the *Membership Guidelines*, please use the following procedure to ask that your request be reconsidered.

- 01 Call Altruia HealthShare at 1.888.244.3839 and speak with a Member Services Representative. Most situations can be resolved with a simple phone call. Your representative will try to resolve your matter within 10 business days.

you may submit a formal appeal. Please be prepared to address one or more of the following questions.

 - › In your opinion, how has Altruia HealthShare misinterpreted the information that they have about your request?
 - › Which provision of the Altruia HealthShare *Membership Guidelines* do you believe is being applied incorrectly?
- 03** Submit your appeal within 90 days of the denial date from your original request. The Appeals Board (a random selection of five peers who share the same *membership plan*) will review your appeal and make a final determination. A formal appeal may take up to 30 days from the time five willing participants have been determined.

11.2 Grievances

Altruia HealthShare is committed to providing the highest level of service by collaborating with its members and creating an open environment of communication in which members or their representatives feel comfortable expressing a *grievance* related to the quality of service provided to them. Altrua Ministries

Loving God While Serving People

Dear Member,

Altrua Ministries wants to tell you how excited we are that you are now part of the Altrua Ministries family. Not only have you secured your place with a world-class healthcare sharing community, but also with a ministry that is ready and willing to stand alongside you and your family as we walk through life together.

Here is some of how we get that accomplished:

PRAYER SUPPORT

We're here to pray with you for your healing. We believe without compromise the Word of God. Because of that, we stand on faith with you for your healing. You can submit a prayer request at any time through our website at www.am.family or by email at prayer@am.family. We'd love to have you as part of our Prayer Team, and you can join online at www.am.family by clicking on "Prayer" and "Join the Family"!

PRAYER BLASTS

When you call in for a prayer request regarding a medical need or support for a serious illness/procedure that requires preauthorization, Altrua Ministries will be notified, and an email blast will be sent out weekly to all the members asking them to join in prayer for healing. We keep everything confidential, but we believe in the power of prayer as a community.

YOUR 60 SECOND ENCOURAGEMENT

Whether you are going through a hard day, week, month or season, we send out a weekly encouragement based on the Word to inspire you to stay in the fight. Regardless of what you're dealing with, Altrua Ministries believes it will be a blessing to your life as you receive these each week.

DIVING DEEPER SERIES

For those of you who like to study, we provide a monthly series about the Word of God. It's an opportunity to really dive deep into the Word to study and learn more about the Word together.

SUPPORT YOUR WHY

Do you have a dream that you've always wanted to accomplish? The "Support Your Why" may be an excellent venue to accomplish that. Altrua Ministries believes in giving back and this is a great way to do that. To learn more, please visit www.am.family and click on "Support Your Why".
